# General Information & Procedures

---

Procedures are a necessary component of running any operation smoothly. The following are common expectations we hold as a hall in addition to the expectations in each individual classroom. The expectations are as follows.

1. Use the restroom in between passing periods whenever possible. You may not leave except for an emergency
2. Due to having chromebooks, no phones are to be allowed in the classroom whatsoever unless previously designated by a teacher. Phones should not be visible in the hallway as well.
3. In the hallway:
  - a. No phones/headphones
  - b. No food/drinks
  - c. Hoods down
  - d. Be respectful of staff, school, and each other.
4. During passing periods:
  - a. Go to the restroom
  - b. Get supplies
  - c. Briefly socialize
  - d. Get to class on time!
